

# Sarah Rosenshine

(484) 678-3595 | [srosenshine@gmail.com](mailto:srosenshine@gmail.com) | github: [rosenshine](#) | [fivelettersarah.com](#)

Full stack web developer with an affinity for lightweight, practical apps. With experience in Ruby on Rails and JavaScript frameworks and a background in comedy and copywriting, I switched to web development after years of casual coding. I'm also an avid 3D-printer experienced in building printers and designing prototypes.

## TECHNICAL PROJECTS

### Philadelphia Smelting Site Locator - [Github](#) | [Demo](#)

*Determines Philadelphia residents' proximity to parks, playgrounds, and construction sites high in lead*

- + Utilizes Google Maps API to provide users with geography-based health information
